

Eastern San Diego County Junior Fair

PO BOX 1202- LAKESIDE, CA 92040

January, 2026

Dear Friends and Supporters,

The annual **Eastern San Diego County Junior Fair Fundraising BBQ & Auction** is truly the heart of our fair community's effort to support its youth. As we kick off 2026, we invite you to partner with us to celebrate and empower the dedicated young members of **4-H, Future Farmers of America (FFA), and Grange** who have chosen a Vegas fair theme this year.

Investing in Future Leaders

The funds raised at this event are absolutely vital. They directly support the fair and its ability to coordinate and facilitate the fair for youth members to exhibit their projects culminating at our **Junior Fair in May 2026**.

This isn't just a fair—it's a hands-on classroom. By nurturing the ability to showcase their projects and engage with the community, these young people are actively learning to become **responsible, productive adults and future leaders**. Your support truly shapes their world.
